## About us

**Construction Care** provides a complete medical service to the construction industry in the UK. Caroline McLeod, RGN Nebosh, owner and Managing Director of the company established the business in 2005. It has fulfilled a long awaited demand within the construction industry and the company has gone from strength to strength.

Her professional team and their services follow a recognized code of practice to ensure high standards are maintained. Construction Care has already achieved the 'Incident & Injury Free Award' from Catalyst Lend Lease and the 'New Enterprise Award' for Nottinghamshire, giving a positive indication for the companies future success.
